

SCOTi: The Ultimate Project Management Revolution

Conquer Complexity, Ensure Compliance, Win Billion-Dollar Bids

Are you tired of project management challenges holding you back? In today's hyper-competitive landscape, organizations are struggling to:

- **Win the Bidding War:** Losing out on lucrative opportunities due to inaccurate bids and a lack of competitive edge.
- **Deliver Projects On Time & To Budget:** Facing delays, cost overruns, and the constant pressure to meet deadlines.
- **Navigate the Compliance Maze:** Struggling to keep up with evolving regulations, risking costly rework and reputational damage.
- **Gain Data Visibility and Situational Awareness:** Slowing down decision-making.
- **Reduce Manual Efforts and Uncertainty:** Hindering your team's potential.

Stop managing projects and start dominating them

Introducing SCOTi: Engineered to Redefine Success

SCOTi® isn't just another project management tool. It's a comprehensive solution designed to unlock unprecedented efficiency, productivity, and profitability, empowering you to win more bids, deliver with precision, and ensure unwavering compliance.

SCOTi empowers you to achieve unparalleled success

SCOTi Bid: Crafting Winning Proposals, Every Time

In the high-stakes world of bidding, precision is power. SCOTi Bid leverages cutting-edge machine learning and industry expertise to craft bids that are not only accurate but also compelling. By analyzing past performance, industry standards, and project requirements, SCOTi Bid ensures your proposals stand out from the competition.

- **Increase bid win rates by up to 30%** with bids that are more complete, precise, and aligned with client expectations.

- Save valuable time and resources by automating bid preparation while maintaining high-quality outputs.
- Gain a competitive edge with bids that showcase your organization's strengths and value proposition.

With SCOTi Bid, you're not just bidding—you're winning

SCOTi OnTrack: Delivering Results, Faster and More Efficiently

In capital-intensive industries like aerospace and defense, delays can be costly. SCOTi OnTrack revolutionizes project management by providing real-time situational awareness and adaptive planning, ensuring projects stay on track from start to finish.

- **Reduce time-to-market by up to 25%** with automated workflows that break down complex projects into manageable tasks.
- Deliver projects on time and within budget, saving millions in potential overruns.
- Mitigate risks proactively with advanced analytics that identify and address potential bottlenecks before they impact the project.

With SCOTi OnTrack, you're not just managing projects—you're delivering results faster and more efficiently than ever before

SCOTi Assurance: Setting New Standards in Compliance

Non-compliance can lead to costly rework, damaged reputations, and lost opportunities. SCOTi Assurance acts as your compliance powerhouse, ensuring every project meets technical standards, regulatory requirements, and internal policies.

- **Reduce compliance-related risks by up to 90%** with automated workflows that ensure alignment with the latest rules and regulations.
- Avoid costly rework by identifying and addressing compliance gaps early in the project lifecycle.
- Build trust with clients and stakeholders by consistently delivering compliant, high-quality outcomes.

*With SCOTi Assurance, you're not just meeting standards
—you're setting new ones*

The SCOTi Advantage: Transforming Project Management

SCOTi isn't just a tool—it's a transformative ecosystem that empowers organizations to win more bids, deliver projects with precision, and maintain compliance with ease. By combining cutting-edge technology with industry expertise, SCOTi unlocks unprecedented efficiency, productivity, and success.

- **Win up to 30% more bids** with SCOTi Bid.
- **Reduce project timelines by up to 25%** with SCOTi OnTrack.
- **Cut compliance risks by up to 90%** with SCOTi Assurance.

Join the SCOTi Revolution

Don't just manage projects—redefine what's possible. With SCOTi, you're not just keeping up with the competition—you're leading the way.
